

*Director*

**JOSE ENRIQUE “MARF” MARFORI JR.**

Mr. Jose Enrique “Marf” Marfori Jr. brings over two decades of diverse industry experience to the Board of LBP Resources and Development Corporation. His professional background spans key sectors including international shipping and logistics, fuel and energy, FMCG distribution, and financial technology.

He has held senior roles in managing complex fuel supply chain strategies, and serving as a Senior Distributor Manager for a global fast-moving consumer goods company. In recent years, Mr. Marfori has also contributed to the advancement of financial technology initiatives, demonstrating his adaptability and insight into evolving digital ecosystems.

His strategic perspective, operational expertise, and cross-sectoral leadership make him a valuable asset to the governance and direction of LBRDC.
